101st Airborne Association – Life member
National Society of Professional Land Surveyors
Michigan Society of Professional Land Surveyors
Yankee Air Museum – Life member

Services provided:

Initial positioning of potential search areas by the establishment of Latitude and Longitude.
Recordation of initial features surrounding search area by preparation of field notes, sketches, and witnessing that will allow following teams to return to the precise area.
Creation of accurate topographical and planimetric maps that record the location and progress in search areas under investigation.
Translation of local coordinate systems to WGS84 and visa-versa.
Correlation of real time aerial photography to photo identifiable ground features at search areas.
Creation of mapping projects that lay World War II 1940's reconnaissance photography over real time land conditions thereby allowing a view as to conditions as they existed during the time of the event.

American World War II Recovery Missions:

2009, 2010, 2011 Palau – Peleliu with the BentProp Project
2011 Belgium
2011 Tarawa – Land Operation

2011 Tarawa – Side Scan Sonar Operation
2012 Belgium – B-26 Operation recovery
2012 Normandy
2012 Petersgensfeld, Belgium – P-47 site recovery
2013 Tarawa – Land Operation recovery
2013 Tarawa – Land Survey Operation
2013 Tarawa – Land Operations recovery

Korean War MIA/POW Aircraft Crashes

Translation of Korean War Grid Coordinates of 320+ Allied Aircraft crash sites to WGS 84 latitudes and longitudes for insertion into a single Google Earth .kmz file

Continental United States Serial Killer Investigations

2013 Shemantine/Herzog Victim Investigation
2014 John Wayne Gacy Victim Investigation

Side Scan Sonar Operations

2009-2010-2011 Side Scan and dive investigation for B-24 Bomber in Palau
2011 Side Scan and dive investigation for B-24 Bomber in Palau

Establishment of Coordinate Systems

Republic of Palau - Research, determination, and translation of 1940 era Military Grid Coordinate System to WGS 84 latitudes and longitudes.

Republic of Kiribati – Research, determination, and translation of WGS 84 system to Kiribati Coordinate System for location of search units.

France Topographical survey of La Ray, Normandy search site
Belgium Topographical survey and establishment of a search grid for B-26 site
Tarawa - Topographical survey of Cemetery 27
Topographical survey of Cemetery 11
